

One session

Two-hour live session facilitated by our expert for up to 15 attendees

Get the skills to deliver sessions now

Logistics

Every attendee to join from an individual computer or device with headset and microphone

Objectives

- Communication** - Learn how to communicate effectively as a facilitator and get attendees communicating in a structured way
- Using the platform and technical issues** - Discover how to share presentations, media files, create polls and more, plus how to provide technical support for attendees
- Tools and engagement** - Use the tools in your platform and explore possibilities to get attendees engaged in interactive activities
- Facilitation skills** - Develop the approach to bring your delivery alive, focusing on what face to face facilitation skills transfer to live online
- Design concepts** - A look at design requirements for live online learning and direction on how to adapt your current materials

Right for you?

The live experience

FAQ

01 Who is this for?

Organisations with face to face facilitators who have limited or no live online experience and need to get start delivering as soon as possible

02 How is it delivered?

Sessions are delivered live online in either Lightbulb Moment's Zoom account or your own platform. This is essential for your facilitators to experience the tools first hand

06 Not covered?

Advanced concepts: design; platform; facilitation. Also not included is admin of the platform. We have modules and bespoke options as additional options if you require them

03 How does it work?

Expert live facilitation with your staff allows for your team to not just experience the virtual classroom but get involved practically to help cement their learning experience

Frequently asked questions

05 What's covered?

This session provides a basic core foundation focusing on: platform, tools, technology, communication, engagement, technical issues, being professional and getting the best from your session and attendees

04 Practical elements?

Attendees will be provided the opportunity to get involved and participate in as many practical points as possible, supporting knowledge retention
